3rd Mozambique Renewable Energy & Power Infrastructure Investors Conference

Proposed Program and Speaker Invitees

Please note that the speakers listed below have been invited, but not all of them are confirmed yet. The program will be updated with new speakers and speaker-sponsors in the coming days.

Day 1: Wednesday 7 February 2018 – Maputo, Mozambique

09:00 – 09:45 Registration of participants and welcome coffee

09:45 – 11:15 Session 1: Updates on Mozambique's Renewable Energy Master Plan: next steps and timelines

- Latest institutional and regulatory developments
- Extending Mozambique's renewable vision
- Looking up strategies and additional opportunities to monetize natural renewable resources
- Government's top priorities to stimulate business and attract investment – promotion of "free competition" in energy services
- Enforcement of sector laws, transparency and fairness
- Markets and government reforms impacting the investment decisions
- Hiring and Buying Local: How to develop National Content in country?
- Education and Capacity Building: Opportunities and Challenges
- Environment Impact and Communities Involvement: growing need of conservation related investment and regulations
- Panel Discussion and Q&A

Pascoal BACELA, National Director of Energy,
Ministry of Mineral Resources and Energy, Mozambique

Lourenco SAMBO, Director General,
Investment Promotion Center, Mozambique

A **Senior Representative** from
Energy Regulatory Authority (ARENE), Mozambique

Milagre LANGA, National Coordinator,
EITI Secretariat, Mozambique

Antonio SAIDE, Chief Executive Officer,
Fundo de Energia (FUNAE), Mozambique

A **SPEAKER FROM THE PRIVATE SECTOR** (available for sponsors)

11:15 – 11:45 Coffee break and networking

11:45 – 13:15 Session 2: Investment opportunities in the off-grid electrification market

- Need of further regulations and legal instruments for the off-grid market
- Promotion of access to modern energy services in rural areas
- Government-designed incentives to increase appetite for off-grid electrification
- Private sector considerations for off-grid investment in remote country areas
- Potential for solar micro projects
- Adapting to International Technological and Market Trends
- Introduction of further opportunities for off-grid investors to recover cost
- Regulation and modernization of consumer payment mechanisms – pay as you go
- Panel Discussion and Q&A

Miquelina MENEZES, Vice President, Associação
Lusófona de Energias Renováveis (ALER), Mozambique

Claire MATEUS ZIMBA, Director General,
Institute for Promotion of SMEs (IPEME), Mozambique

Emmett COSTEL, Co-Founder, Epsilon Energia Solar, Mozambique

A **Senior Representative** from
Associação Moçambique de Energias Renováveis (AMER), Mozambique

Marta MONJANE, Programme Officer for Energy,
Environment and Climate Change, SIDA, Mozambique

A **SPEAKER FROM THE PRIVATE SECTOR** (available for sponsors)

3rd Mozambique Renewable Energy & Power Infrastructure Investors Conference

13:15 – 14:15 **Buffet luncheon**

14:15 – 15:45 **Session 3: Investment opportunities in the on-grid electrification sector, infrastructure development and cross-border cooperation**

- Grid-connected renewable energy national planning
- Overcoming political and regulatory barriers for international partnerships
- Improving cross-border transmission and integration through SAPP
- Deploying Mozambique's unlimited solar and wind potential: on or off-grid?
- Recognizing the need to make systematic shifts away from large hydro and coal-fired power
- Exploring mini and micro-hydro potential in electricity-starved regions
- Private sector participation in the on-grid market - growing prospects for large solar and wind on-grid projects
- Integrating biomass alternatives into the grid
- Development of mini-grids
- Further investments and financing of grid connections
- Panel Discussion and Q&A

Fatima ARTHUR, Executive Administrator,
National Electricity Company (EDM), Mozambique

Ina DE VISSER, Project Manager, Africa-EU Renewable Energy Cooperation Programme (RECP) Partnership Dialogue Facility of the EU Energy Initiative (EUEI PDF), Kenya

Higino FABIAO, General Manager,
Mozambique Transmission Company (MOTRACO)

Nicole ALGIO, Regional Secretariat Manager,
REEEP Southern Africa Secretariat, South Africa

Laurène LEVY, Project Manager – Infrastructure, Transport and Power Sectors, French Development Agency (Afd) Mozambique

15:45 – 16:15 **Coffee break and networking**

16:15 – 17:45 **Session 4: Energy efficiency as an essential cornerstone of a successful clean energy strategy**

- Energy savings potential of Mozambique
- Selecting strategic market interventions that deliver large impacts
- Implementation of standards
- Realizing role of municipal power authorities for implementation of programs and solutions
- Support for stakeholders in prioritizing energy efficiency program development and implementation
- Evaluating opportunities against all three factors—cost-effectiveness, energy savings potential, and likelihood of success
- Embracing market-ready and cost effective innovative solutions
- Programs for residential buildings
- Panel Discussion and Q&A

Florival MUCAVE, Vice President, Department of Mineral Resources, Hydrocarbons & Energy, Confederation of Economic Associations of Mozambique (CTA), Mozambique

Olegario BANZE, National Director of Rural Development, Ministry of Land, Environment and Rural Development, Mozambique

José Carlos EDO MONFORT, Head of Rural Development, Environment, and Infrastructure, EU Delegation to Mozambique

Katsuyoshi SUDO, Resident Representative, Japan International Cooperation Agency (JICA), Mozambique

Jaime COMICHE, Head of Operations, United Nations Industrial Development Organization (UNIDO), Mozambique

A SPEAKER FROM THE **PRIVATE SECTOR** (available for sponsors)

17:45 **End of Day 1**

3rd Mozambique Renewable Energy & Power Infrastructure Investors Conference

Proposed Program and Speaker Invitees

Please note that the speakers listed below have been invited, but not all of them are confirmed yet. The program will be updated with new speakers and speaker-sponsors in the coming days.

Day 2: Thursday 8 February 2018 – Maputo, Mozambique

09:00 – 09:30 Registration of participants and welcome coffee

09:30 – 10:45 Session 1: **Financing of Renewable Energy Projects in Mozambique**

- Development of Mozambique's capital market to be a major push for project financing
- Easing the Way Forward for International Investors: Short vs long term measures
- Facilitating access to foreign investment funds
- New business and financing models for renewable energy generation
- Challenges in raising financing
- Adoption of financial instruments that can mitigate investment risks
- Reassessments of the Tariff Regime for New and Renewable Energies
- Market and cost based discipline of prices
- Electricity vs. PPP Law – direct effect on investment and financing in the sector
- Demand for fiscal incentives for the sector to boost more investment and flow of capital
- Bankability challenges for off and on-grid projects
- Growing local lenders' role
- Panel Discussion and Q&A

Joana MATSOMBE, Executive Administrator & Member of Board,
Bank of Mozambique, Mozambique

Mark R. LUNDELL, Country Director,
World Bank, Mozambique
