

Doing business with total lng project

- TOTAL LNG Project has a program of active engagement with the supply chain
- This program is especially intended to increase opportunities
- In order to maximize opportunity for your company, you are recommended to follow the steps below:
 - send an email to ep.mzsuppliers@total.com
 - share a summary of goods and/or services your company wishes to provide. Please include a link to your website (if available);
 - register your company on TOTAL's supplier information system at <https://pages.achilles.com/total-supplier-registration-en>

Register on the different platforms!
